Sub :- "विद्यार्थी के लिए आधार, अब विद्यालय के द्वार" campaign in MP state

State Education Department Govt. of MP, in coordination with UIDAI State Office Bhopal, is launching "विद्यार्थी के लिए आधार, अब विद्यालय के द्वार" campaign with Aadhaar enrolment and update camps in the Government schools, for the benefit of the students. For maximising the efficacy of the Aadhaar camps, UIDAI has identified the pin codes in each district which are having maximum Mandatory Biometric Update (MBU) pendency. The School Education Department has primarily selected Govt. schools for the camps under these pin codes.

In the first phase starting in August-2025, the campaign will simultaneously commence in 40 districts (list of 40 districts and date of commencement of the camps is enclosed as annexure-I), where the camp plan is finalized. In this regard, it is requested to kindly ensure wide publicity of the Aadhaar camp plan in the respective districts, well before the camp start date, so that maximum students can be benefitted in the "विद्यार्थी के लिए आधार, अब विद्यालय के द्वार" campaign. Draft press note is enclosed as annexure-II.

For the remaining 15 districts (list enclosed as annexure-III), it is requested to kindly instruct the DEO to select the Govt. schools (in accordance with letter no. RSK/E&R/2025/3513 dated 15.07.2025 from the Joint Director RSK – copy enclosed as annexure-IV) for the camps. DeGS can then plan Aadhaar enrolment and update camps in these schools. The camp plan be submitted to UIDAI State Office Bhopal and RSK by 25.08.2025, so that the camps in these remaining 15 districts can commence in first week of September-2025.

Looking forward for kind cooperation,

(Sumit Mishra, ITS)
