SUB: Request for Intervention Against Harassment and Illegal Extortion at Balsamund (Near Julwania) Check Post, Madhya Pradesh.

Dear Sir,

The Federation of Bombay Motor Transport Operators Limited (FBMTO), established in the year 1955, is one of the premier associations representing the road transport fraternity in India. With its prime objective “to protect, encourage and promote transport business”, we are comprised of over 2,000 members operating more than 10,00,000 vehicles across the country and we have been consistently working towards the development of road transport and the welfare of those associated with it.

The transport industry plays a vital role in the nation's economy by providing direct employment to nearly 2 crore people and indirect employment to approx. 12 crore people. FBMTO regularly takes up policy matters and industry concerns with various Ministries and Government Departments, including the Ministry of Road Transport & Highways, Ministry of Home Affairs, Ministry of Petroleum & Natural Gas, Ministry of Finance, Ministry of Labour, State Transport Commissioners, Insurance Regulatory and Development Authority of India (IRDAI), and etc. We are also affiliated with and represented by our parent body, All India Motor Transport Congress, New Delhi.

We wish to bring to your kind notice that the Federation has been receiving multiple complaints from its members who are engaged in transportation from Maharashtra to Northern parts of our country via Madhya Pradesh, regarding harassment and extortion of money from transport vehicles by private individuals who are active at night hours, in and around the Balsamund (Near Julwania) RTO Check Post in Madhya Pradesh.

Therefore, we request you to kindly intervene in the above subject matter and take suitable action at your end and at the border check post area to ensure seamless movements without any obstacles.
